

Rapid Part Number: **28-4419**

Europa Part Number: **EUC1-25-2NCP**

Specifications and dimensions

- Modular Contactor
- One module width
- Din rail mountable

| Dimensions  |                    |
|---|--------------------|
| Width   | 18mm               |
| Height (overall)                                  | 82mm               |
| Depth   | 68mm               |
| Weight  | 0.127Kg            |
| Features  |                    |
| Contact arrangement                               | 2 NC               |
| Coil operating voltage                            | 230V AC            |
| Rated operational current AC1                     | 25A                |
| Rated operational current AC3                     | 9A                 |
| Rated insulation voltage Ui                       | 400V AC            |
| Rated operational voltage Un                      | 240V AC            |
| Operating Temperature                             | -.5°C to +40°C     |
| Maximum cable capacity main terminals             | 10mm <sup>2</sup>  |
| Maximum cable capacity coil terminals             | 2.5mm <sup>2</sup> |
| Related Products                                  |                    |
| Blanking module for separation between components | ECUBPD             |
