### Universal Microphone Holder

A microphone holder with spring loaded jaws to hold any size of microphone up to 35mm diameter. Two padded inserts prevent the microphone from slipping during use. The neck of the holder incorporates a tilt mechanism to allow the microphone to be angled as required. Supplied with a metal insert to fit both 3/8 inch and 5/8 inch threads.

#### General Details

- Spring loaded jaws
- Supplied with 5/8" to 3/8" adaptor
- Foam pads on inner part of jaw prevent microphone from being scratched by the jaws
