

Heatsink

Order code	Manufacturer code	Description
36-0300	5900PB	5900PB HEATSINK TO220 VANE TAG 17C/W RC

Heatsink	Page 1 of 3
The enclosed information is believed to be correct, Information may change without notice due to product improvement. Users should ensure that the product is suitable for their use. E. & O. E.	Revision A 20/02/2007

For use with TO-220 packages

Printer friendly version

Part Number - 5900PBG

RoHS  Compliant

Mechanical Outline Drawing

Thermal Curves

Thermal Resistance	13.00
--------------------	-------

Thermal resistance value is based on a 75°C rise in natural convection

Product Information

Part #	Description	Finish	Board Mounting
5900PBG	Channel style heat sink features solderable tabs and twisted fins	Pre-Black Anodize	N/A
This non-electronic component is functionally unaffected by the normal soldering or reflow processes used for semiconductor circuits. The heat resistance time or heat resistance temperature is not applicable for the component.			

Not Exactly what you need?

We offer several options for those applications which require a more unique solution. For slight modifications of this part or other attachment options, finishes, and interface materials, contact your [local representative](#). Challenge us with your thermal requirements - we can design custom solutions.
