

Order code: **17-3262** Red
Order code: **17-3263** Black

Typical Characteristics:

- Body material: Stainless steel and brass
- Insulation material: PA
- Rated voltage/current: 30V AC-60V DC/Max. 10A
- Contact resistance: $\leq 0.005\Omega$

Features:

- High reliability
- High stability
- Economical and practical
