## Amazing results

SeaClean2 is now even better than before. We have doubled the concentrate of our existing SeaClean fluid to create a high powered and versatile cleaning solution that gives amazing results when used together with an Ultrasonic Cleaner.

Made from a unique formula containing natural products, mixing carefully balanced quantities of seaweed, coconut oils and fruit extracts to create a powerful cleaning solution.

SeaClean2 will expertly clean tarnished items and assist in the removal of carbon, rust and dirt from most solid metals\*, precious stones\* and inkjet cartridges to return them to a shiny condition.
