

PRODUCT DATA SHEET

EVERBUILD® P19 PTFE Super Conc. Silicone Spray

MULTI-PURPOSE SILICONE LUBRICANT

PRODUCT DESCRIPTION

EVERBUILD® P19 PTFE Super Conc. Silicone Spray is a multi-purpose dry lubricant, ideal for use in the plumbing industry. It is ideal for use in easing the installation of all types of plastic joints and threads, inserting rubber gaskets and O rings and has many uses around the home, garage, workshop and industry. The advanced silicone formula eases friction between any two surfaces and also stops squeaks.

USES

- Reducing friction between two surfaces.
- As a high quality mould release agent.
- Eliminates squeaks.
- Inserting gaskets, seals and O rings.

CHARACTERISTICS / ADVANTAGES

- High performance PTFE lubricant.
- None staining.
- Corrosion resistant

PRODUCT INFORMATION

Packaging	200ml Aerosol
Shelf Life	12 months from date of manufacture.
Storage Conditions	Store in cool (5°C - 25°C) dry conditions away from sources of ignition and direct sunlight. Protect from frost.

APPLICATION INSTRUCTIONS

Shake the can well and spray directly onto surface to be lubricated.

When used as a mould release agent, spray liberally onto mould and allow to dry.

LIMITATIONS

- Use only as directed.
- Do not spray directly onto skin as freeze burns can occur.
- Test compatibility with surfaces prior to application.
- Do not spray onto fabrics.

VALUE BASE

All technical data stated in this Data Sheet are based on laboratory tests. Actual measured data may vary due to circumstances beyond our control.

LOCAL RESTRICTIONS

Note that as a result of specific local regulations the declared data and recommended uses for this product may vary from country to country. Consult the local Product Data Sheet for the exact product data and uses.

ECOLOGY, HEALTH AND SAFETY

Consult MSDS for full list of hazards.

LEGAL NOTES

The information, and, in particular, the recommendations relating to the application and end-use of Sika products, are given in good faith based on Sika's current knowledge and experience of the products when properly stored, handled and applied under normal conditions in accordance with Sika's recommendations. In practice, the differences in materials, substrates and actual site conditions are such that no warranty in respect of merchantability or of fitness for a particular purpose, nor any liability arising out of any legal relationship whatsoever, can be inferred either from this information, or from any written recommendations, or from any other advice offered. The user of the product must test the product's suitability for the intended application and purpose. Sika reserves the right to change the properties of its products. The proprietary rights of third parties must be observed. All orders are accepted subject to our current terms of sale and delivery. Users must always refer to the most recent issue of the local Product Data Sheet for the product concerned, copies of which will be supplied on request.
