

Gunk Engine Degreasant

500ml Tin, 1 Litre, 2.5 Litre, 5 Litre & 25 Litre

Product Description

A powerful and effective degreaser that can be used in a wide range of cleaning applications including automotive, industrial and agricultural. Gunk is the world's leading brand of water soluble engine degreasant.

Product Benefits

- * Removes stubborn grease and grime
- * Rinse off with water
- * World's leading brand of water soluble engine degreaser

Product Usage

A powerful and effective degreaser that can be used in a wide range of cleaning applications including automotive, industrial and agricultural.

Directions for Use

Shake can well before use. When using on engines, for best results warm the engine then switch off. Ensure all electrical components are covered and protected, e.g wrap in polythene. To brush on, decant into a suitable container so as not to contaminate the contents of the can. Generously brush onto the surface of item to be cleaned until the entire surface appears to be wet. Allow approximately 10 minutes for Gunk to penetrate the grease and grime. For heavy soiling leave longer and if necessary agitate with a stiff brush. Rinse thoroughly with water. For severe soiling repeat as necessary.

Storage Instructions

Store sealed in a cool, dry place away from direct sunlight and sources of ignition.

Shelf Life

2 years from date of manufacture

Appearance	:	Amber liquid
Odour	:	Characteristic
Specific Gravity	:	0.850
Solubility	:	Miscible in water
Flammability	:	Flammable
Flashpoint	:	45°C
