

# Zero Smog TL Kit 2 FN

Product no.: FT91017699N

## Benefits

- › Fine dust pre-filter F7, can be separately changed, without having to change the main filter
- › Granular activated carbon filter for effective gas filtration
- › Portable fume extraction unit, for placement under or next to the bench
- › Quick and easy filter replacement
- › Longer service life due to exceptionally large filter surface of 2,4m<sup>2</sup>
- › Variable speed setting
- › Automated filter change notification system
- › Exceptionally long service life due to maintenance free brushless EC turbine
- › Quick, simple and user-friendly installation with Easy-Click System

For this purpose, we recommend:

Solder fume extractors

Soldering irons

Cleaning

Pre-heating plates

**Technical Data**

|                                  |  |
|----------------------------------|--|
| Dimensions L x W x H (mm)        | 355 x 333 x 455  |
| Dimensions L x W x H (inches)    | 13.976 x 13.110 x 17.913                                 |
| Weight (approx.) in kg           | 9  |
| Voltage                          | 220-240 V (50/60 Hz)                                     |
| Power                            | 120 W  |
| Noise level (distance 1 m) dB(A) | < 50   |
| Max. vacuum                      | ---  |
| Capacity m³/h                    | 190  |
| Pre-filter                       | Fine dust pre-filter F7                                  |
| Compact filter                   | Particle filter H13 and granular activated carbon filter |
| Max. capacity                    | 1-2 workstations   |
| RS232 interface (remote control) | ---  |
| USB port                         | ---  |
| WX-compatible                    | on   |
