Product Description

Edge masking Tape is a strong smooth flat back paper that when used for paint masking gives a sharp paint line with a low paint ridge. This backing simplifies the task of long straight lines whilst still being hand tearable.

Applications

Masking of straight lines on walls, wood trim, glass and metal. Protecting various items during painting and construction

Features & Benefits

- Very sharp paint lines
- Resist lifting and curling due to good holding power
- Clean removal 21days
- Supplied in a plastic container to prolong shelf life

Application notes

Apply with a firm pressure to clean, non-porous surfaces. Test an inconspicuous area before use to determine suitability
