Automatic Wire Stripper & Cutter for Single Strand & Ribbon Cable

Steel body with ABS moving handle. Wire stripper and cable cutter hardened and tempered SK5 steel. Strips and cuts single stranded cable from 0.2 - 6mm diameter. Also cuts 11mm wide and strips 14mm wide ribbon cable. Safety guard on wire cutter. Display packed.

Type	Order code	1+
Automatic Wire Stripper	91-2423	6.70

310982

Professional Cable Stripper No. 5

An automatic wire stripper, suitable for all common stranded and solid conductors from 0.2 to 6mm².

- Special scanning system adjusts automatically to the diameter of the wire and ensures quick and accurate stripping without leaving marks on the insulation, or damage to the conductor
- Quick-set stripping length stop is adjustable from 5-12mm and enables repeated stripping of a preset length
- The stripper's ergonomic design and light weight ensure fatigue-free operation, necessary in a production environment
- The slim plier-type jaw enables access to wiring in confined spaces such as in control gear, junction boxes etc.
- Manufactured in fibre-glass reinforced Polyamide 6,6 with blades manufactured in specially hardened steel
- Convenient clip holds the tool safely in the closed position when not in use
- **Weicon No. 5**
