Calculators

CASIO

Scientific Calculators

The Casio FX-83GTX is the upgraded version of the best-selling FX-83GTXPLUS scientific calculator, offering additional features such as a clearer display, clearer menus, a faster processor and 14 additional functions.

The large Natural Textbook Display shows mathematical expressions like roots and fractions as they appear in textbooks, so increasing comprehension because results are easier to understand.

- Suitable for use in every UK exam where a calculator is allowed
- Recommended and approved for Key Stages 3 and 4
- 274 functions include Ratio, Digit Separator, Advanced Statistics, Advanced Tables and Variables List
- Slide-on protective hard cover included
- Clear 192 x 63 LCD display
- Easy and clear menu function
- 3 year guarantee
- Auto power-off
- Requires 1 x AAA battery (supplied)

CASIO

ClassWiz Fx-991EX Advanced Scientific Calculator

The Casio Fx-991EX, part of Casio's ClassWiz series, offers a new high-resolution LCD display with 192 x 63 pixels and a resolution that is four times higher than that of the familiar displays of the old FX-ES-plus series. In addition, the new ClassWiz series boasts new hardware with a faster processor and double the memory.

A spreadsheet function allows the user to perform basic spreadsheet calculations on a scientific calculator for the first time. In addition, results can be viewed on a smartphone or tablet thanks to the newly available QR code function.

- Advanced scientific calculator for post-16 mathematics
- Spreadsheet with cell referencing for modelling and iteration
- Numeric differentiation, integration and equation solving
- Binomial and Normal probability distributions
- Permitted for use in UK school examinations
- 552 functions
- Display: 'Natural Textbook Display', natural V.P.A.M.
- High-resolution LCD, 63 x 192 dots, 16 / 10 + 2 digits
- Power supply: solar plus battery (1x LR44)
- Slide-on hard case
- Dimensions: 165.5 x 77 x 11.1mm
- Weight: 90g
- **Casio type Fx-991EX**
