PressLess 60 Sheet Half Strip Stapler S60

The Rapid S60 half-strip stapler brings you the heavy-duty power that you lack on your desk! The S60 combines the power of Rapid's Omnipress™ technology with Rapid's patented SuperFlatClinch™ by-pass system for effortless and trouble-free flat-clinch stapling. Flatter stapling reduces the document thickness. The S60 staples any quantity between 2 and 60 sheets needing only one staple type.

- Takes Rapid Superstrong 26/6+ and 24/6+ staples
- SuperFlatClinch™ by-pass system
- Rapid patented technology
- 40% reduced paper stacks due to flatter staples
- 2 to 60 sheet capacity using only 1 staple type
- PressLess™ lever technology
- Up to 50% less effort than standard
- Stapling depth 50mm
- **Rapid type S60**

Office & Classroom Equipment

Laminators

Academy+ Laminators

This laminator from GBC has been designed specifically to meet the rigorous demands of the classroom or busy school office. Built to withstand frequent everyday use with a protective pouch carrier, it reliably handles all kinds of different materials. From small, irregular shapes to A3 posters, it delivers high quality lamination every time. The Academy+ is incredibly versatile and quick and easy to use and can meet all your school's lamination needs.

- Robust and durable - ideal for high volume, everyday use
- Capable of handling name cards, artwork, cuttings, photos, prints and more
- Simple, intuitive controls and auto-reverse to prevent misfeeds and ensure effortless, trouble-free laminating
- Ultra-fast, with 2-minute warm-up and laminating speeds of up to 800mm/min (one A4 sheet in less than 25 seconds)
- Laminates up to A3 in size, using 75 to 250 micron pouches
- Hot roller technology for a reliable, high quality finish
- Supplied with one x A4 and one x A3 GBC Pouch Carrier
- Extended 3-year warranty
- Manufacturer's part 4410010

Please note: For warranty, spares and service contact 0845 658 6600. Proof of purchase is required.

Fusion 1100L Laminators

Lamination doesn't get any simpler than this. Ideal for the home or small office, these Fusion 1100L laminators from GBC guarantee perfect results. Stylish and compact for storage, they warm up in 3 minutes and laminate a single document in under a minute using 2x75 or 2x125 micron pouches. A green light and sound signals when ready for use, while a release button removes any misfeeds and auto shut off conserves power.

- Laminates from ID to A3 size
- Cold setting for use with self-adhesive cold seal pouches
- Maximum pouch thickness 125 micron
- 2-year warranty

Please note: For warranty, spares and service contact 0845 658 6600. Proof of purchase is required.

DYMO

LabelManager 280

With the portable and rechargeable DYMO® LabelManager™ 280 you can easily label anything. You can even connect it to your PC or Mac®* to customize your labels with fonts and graphics from your computer. The computer-style keyboard with country-specific layout lets you enter text quickly and edit it using the one-touch fast-formatting keys.

Label without the cost and waste of disposable batteries - with the rechargeable battery pack you just charge, type and print. The LabelManager 280 prints 50% faster than other DYMO label makers and it prints DYMO D1 labels in 6, 9 & 12mm widths in a variety of colours.

● Customize labels with any fonts and graphics on your computer through PC or Mac®* connection
● Type text quickly on the computer-style keyboard with country-specific layout
● Avoid the cost and waste of disposable batteries with a rechargeable battery pack
● Edit text easily with one-touch fast-formatting keys
● Create a wide variety of DYMO D1 labels in 6, 9, 12 mm widths and multiple colors
● Large screen lets you see text effects before you print. No more guessing what your label will look like. 'What you see is what you get!'
● Create labels with 6 font sizes, 6 text styles, 9 boxes plus underline, and 220 symbols and clip-art images
● Store and quickly access up to 9 frequently-used labels
● Create batches of labels quickly - print up to 10 copies of the same label
● Extend battery life with automatic shut-off
● Quick access buttons to punctuation / currency / other symbols / diacriticals
● Package includes electronic label maker, rechargeable battery pack, USB cable, D1 starter label cassette black on white, 12mm x 3m, Quick Start and Reference Guides, Charging adaptor
● Dimensions: 107.5 x 206.0 x 46.5mm
● Weight: 395g
● Manufacturer's 2 year warranty (plus 1 extra year if you register your purchase)
● Dymo LabelManager 280

Compatible with Windows® 7 or later and Mac OS® X v10.8 or later.

TZe Laminated Label Printer Tapes

A wide range of tape cassettes suitable for Brother labelling systems and label printers.

Brother TZe tapecassette s use less material and have less packaging than the old TZ tapes to reduce their impact on the environment. TZe tapes are fully backward compatible with older printers.

● Labels are laminated making them weatherproof and scratchproof
● Will endure temperatures from 50° to 300°C
● Characters are printed under the laminate making the tapes suitable for use in the harshest of environments

Please note that newer models of printer may not accept the old TZ tapes. Please check compatibility.

Please note that TZe-N241, 25-0924 is not laminated.

SAFE STORE

Premium Hazardous Substance Shelved Cabinets

These premium hazardous substance shelved cabinets from Safestore provide safe storage of flammable liquids, chemicals, paints, pesticide and other hazardous substances. Constructed in 1.2mm thick mild steel, with welded seams, the cabinets comply with the requirements of:

- Guidelines set out in the Health and Safety Executive Guide HSG51 for the Storage of Flammable Liquids in Containers
- Highly Flammable Liquids and Liquid Gases Regulations, Section 5 (1,D) and the guide to regulation No. 5 (17)
- Factory inspectorates Certificate of Approval No. 1 parts 3 and 4
- Dangerous Substance and Explosive Atmospheres Regulations (DSEAR) Approved Code of Practice (ACoP) L136 paragraphs 94-96 along with Appendices A & B and paragraph 104

- Steel 'L' style lever handle and two steel locking rods top and bottom (supplied with two keys)
- Supplied with fully welded shelf trays (adjustable on 25mm pitches) to retain minor spills
- Integral, non-removable, spillage sump in cabinet base
- Epoxy polyester powder coated in yellow
- Supplied with relevant warning labels on doors in accordance with BS5378
- Stand also available (for 14-1862 & 14-1864 only)

Gratnells

MakerSpace Cart Set

If you run, or are involved with, a MakerSpace, you will quickly appreciate how useful this cart set from Gratnells can be. For those who don't know, a MakerSpace is a location where people gather to co-create, share resources and knowledge, network and work on projects.

They help intermediate and advanced users develop their skills and creativity, particularly inspiring younger generations to engage with the STEM agenda. Their activity promotes development of high-end technology skills needed for prosperity and social mobility.

This specially-designed MakerSpace trolley holds Gratnells trays safely and securely while allowing easy access to components. Fitted with StopSafe runners, the trolley is supplied with 3 deep trays, 12 shallow trays, 12 green minibins, a roll holder, 5 single hooks and 5 double hooks.

The trolley can then be easily customised by using different tray combinations and additional hooks and bins.

- Robust steel frame and heavy duty lockable castors for reliable service
- Side and back panels with industry standard holes and slots for wide range of accessories
- Tool hangers can be moved and changed to suit a wide range of objects
- Suitable for loads up to 85kg
- Manufacturer's part **MST0144**

We bring STEAM to life

Gratnells

MakerHub Trolleys With 2 Magnetic Boards & Gratnells Trays

These Gratnells MakerHubs are multi-functional resource trolleys that promote collaborative working in STEAM activities in the classroom.

The MakerHub Trolleys are double-sided making them ideal for group activities. A variety of Gratnells trays can be used in the MakerHubs thanks to the flexible runner system in the base storage unit. The trolleys can be secured in place with their two lockable castors.

The standard-sized boards (600 x 900mm) are instantly interchangeable - simply lift up and draw down to remove. Change between magnetic white-boards, chalk-boards and pin boards to suit your classroom activities and age group. For added security, all standard boards are held safely in place between steel guides at the top of the frame and special stoppers on the recessed shelf.

- **Wide range of tray colours**
- Ideal for use as a general Teacher Hub and for collaborative STEAM activities
- Flexible storage in the base unit
- Trays can face in either direction
- Interchangeable boards
- Steel frame, runners and trays are 100% recyclable
- Easy assembly
- Height 1430mm
- Width 685mm
- Depth 435mm
- Supplied with six runners, four Gratnells Deep Trays and two magnetic white-boards

Callero Plus STEAM Activity Treble Trolleys with Gratnells Trays

These triple-width Callero Plus STEAM Activity Trolleys are the ideal comprehensive solution for school STEAM activities. Compatible with the full range of standard Gratnells trays, the trolleys can be configured to suit a whole range of STEAM activities.

Smaller trays with inserts are perfect for storing smaller parts and components whilst the larger trays are great for housing part-completed projects.

The metal top provides a stable working surface and the combination louvred side panels are compatible with industry standard mini-bins, hooks and clips for small parts and tool storage.

- **Wide range of tray colours**
