## CUSTOMISED KITS FOR SPECIFIC COURSES

You can specify the electronic components, arts and craft materials, tools, test equipment, fasteners and fixings or any parts you need for particular courses, and we will supply the products in wallets or cases. If a certain brand, size or type of product is not available we will provide the closest match on quality and price.

## KITS FOR REGULAR PROJECTS AND ENROLMENT PACKS

For regular projects or enrolment packs, we can pack components, arts and craft materials, PCBs and fixings in the quantities required for each student, so you do not have to sort through and make up your own bags. There is only one code to order when replenishing stock.

To enquire about our kitting services for education please contact us at [education@rapidonline.com](mailto:education@rapidonline.com).

## NOT IN THE CATALOGUE? NOT IN YOUR PRICE BREAK? NOT A PROBLEM!

Rapid's quotes team is here to support you

We welcome the chance to beat your current prices by quoting you on volume orders, sourcing items from our suppliers' extended ranges or those not available in our product catalogue. We will hold quotes for 30 days, protecting you against price rises. Please note that we only accept quote requests for quantities higher than our final price (end column) break.

Our Quotes team is dedicated to helping you save money.

### Here's some of the services they can offer:

- Price stability over a fixed duration (for example, a 12-month call off agreement or scheduled order)
- Pricing support from suppliers on complex or large deals
- Facilitating off-site inventory management
- Rapid quotation response with a 24-hour turnaround target
- Product cross-referencing
- Securing stock availability
- Sourcing extended range products

Using our online quotation service could not be easier. Simply complete the form online with your product codes, quantities, target prices, customer details and any other requirements you have. A member of our Quotes team will prepare a quotation based on your request as soon as possible.
