Professional Ultrasonic Cleaners

James[®]
PRODUCTS

Ultrasonic cleaning is a unique phenomenon.

Millions of tiny bubbles are created when ultrasonic sound is passed through a liquid. These tiny bubbles, combined with sound pressure, give brilliant cleaning results.

Ultra 2000 Compact 420ml

The JPL Ultra 2000 compact ultrasonic cleaner has a 420ml tank and can clean a host of items including jewellery, razor heads, dental equipment, car and machine parts, plus much more.

Ultra 7000 with Digital Timer 750ml

Its control panel has a simple-to-use digital timer that lets you select your required cleaning time from one of five preset times between 90 seconds and 8 minutes.

Ultra 8050D-H Professional 2.5 Litre

The Ultra 8050-DH also has a built in heater, which when programmed, will heat the water to a useful 65°C, further enhancing your cleaning capability. The cleaner is supplied complete with a basket to hold your smaller items.

Ultra 8060D-H 3 Litre

The Ultra 8060 has a range of options and features to give you the best results from your cleaning; a built-in heater, quiet operation technology, digital timer, powerful 150W Ultrasonics, de-gas function (de-gassing helps remove the oxygen from the fluid, making smaller bubbles which in turn means more powerful cleaning) and a built-in drain tap.

Order code 87-3270 **£24.18**

Order code 87-3274 **£95.93**

Order code 87-3276 **£121.19**

Ultra 7000S 750ml

This 750ml ultrasonic cleaner from JPL is the perfect way to return your CD/DVD's, jewellery and watches back to new. The number of uses are endless, from cleaning spectacles/sunglasses to grubby coins, while model makers will find it indispensable!

Ultra 8051 2.5L

This 2.5L ultrasonic cleaner from JPL is the perfect way to return your CD/DVD's, jewellery and watches back to new. The number of uses are endless, from cleaning spectacles/sunglasses to grubby coins, while model makers will find it indispensable!

Ultra 9020 6L

The control panel of the Ultra 9020 cleaner has a simple to use digital timer. Set your required cleaning time between 1-30 minutes, and let the cleaner do the hard work for you. Despite the compact size, the Ultra 9020 has a large 6L tank. The basket will carry many small items, saving time and keeping them secure.

Sonic 3MX 160W High Power 3L

The control panel of the Ultra 3MX cleaner has a simple to use LCD display. Set your required cleaning time between 1-60 minutes, and let the cleaner do the hard work for you. Despite the compact size, the Ultra 3MX has a large 3L tank. The basket will carry many small items, saving time and keeping them secure.

Order code 87-3282 **£29.99**

Order code 87-3286 **£239.96**

Order code 87-3288 **£257.99**

For best results, the manufacturer recommends the use of JPL Sea Clean cleaning solution. They cannot guarantee the effectiveness of other cleaning solutions. Please check before using that items to be cleaned are suitable for ultrasonic cleaning, e.g. specialised lens coatings on spectacles.

Sea Clean 2 Double Strength Concentrated Cleaning Fluid

A high-powered and versatile cleaning solution that gives amazing results when used in conjunction with an ultrasonic cleaner. It is made from a unique blend of natural products, mixing carefully balanced quantities of seaweed, coconut oils and fruit extracts to create a powerful cleaning solution.

SeaClean2 will brilliantly clean tarnished items and assist in the removal of carbon, rust and dirt from most jewellery, tools, mechanisms, sporting goods and can even un-block inkjet cartridges.

- Long shelf life - 12 months from opening bottle
- Available in 500ml and 5 litre bottles

Tensol 12 Acrylic Cement

Bostik Tensol 12 Acrylic Cement is a single component cement which hardens due to solvent evaporation to produce a clear bond in cast acrylic sheets.

- Quickly and easily used direct from the bottle
- Excellent for edge bonding of acrylic sheet
- Offers good resistance to stress crazing, even on line-bent sections
- Produces high clarity, bubble-free bonds
- Supplied in a **500ml bottle**
- **Bostik type 620803**

Note: This product is only recommended for indoor use.

Type	Order code	1+	6+
Tensol 12, 500ml	87-2330	19.98	18.17

Tensol 70 2-Part Acrylic Cement

Bostik Tensol 70 2-Part Acrylic Cement is a two-part catalyst cement which cures at ambient temperatures to produce high strength bonds with acrylic sheet and offers excellent weathering resistance.

- Ideal for face-to-face bonding (lamination)
- A 2-part, solvent-free, clear adhesive which produces a strong, clear bond that is durable in external applications
- Excellent gap filling properties mean that a water-tight join can be created with the right technique
- Supplied in a pack with **500g bottle** plus catalyst
- **Bostik type 620651**

Type	Order code	1+	6+
Tensol 70, 500g	87-2332	27.82	26.60

All Purpose Adhesive

Bostik All Purpose Adhesive is a fast drying, super strong, long lasting adhesive.

- Water resistant
- Sets clear
- Ideal for all household repairs, DIY tasks, crafts and hobbies, and much more
- Features a resealable cap
- Glue will not dry out in tubes
- Available in **20 and 50ml tubes**

Type	Order code	1+	6+	12+
20ml tube	87-4048	1.36	1.21	1.08
50ml tube	87-4050	2.17	1.92	1.66

Weatherproof Wood Adhesive

This adhesive from **Evo-Stik** is the UK's market leading **waterproof wood adhesive** and is ideal for exterior use on all types of wood.

- Ideal for soft, hard, chipboard and plywood
- Fast setting and extra strong
- When glue has dried it forms a bond stronger than the wood itself
- Resealable cap
- Dries to a clear finish
- Clog free nozzle
- Anti-roll bottle with non-clogging twist cap
- Developed for interior and exterior use
- Complies with **EN 204 Type D3** -weatherproof, water resistant wood adhesive
- Available in **125ml, 250ml, 500ml, 1 litre, 2.5 litre and 5 litre bottles**

Pack size	Order code	1+	5+

500ml Non-Chlorinated Adhesive

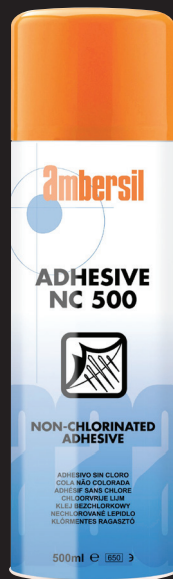

Ambersil 31623-AA NC 500

This **non-chlorinated adhesive** from **Ambersil** is perfect for fixing and bonding a wide range of materials. The product has been formulated without methylene chloride or other chlorinated solvents. Ideal for numerous applications in areas such as the foam converting, upholstery, carpet fitting and automotive industries. Quickly provides high-strength, permanent bonds on many different substrates, including: upholstery, carpets, flooring, paper, rubber, plastics, fabrics, foam, card, wood, metals, cork and felt.

- Appearance: clear, amber liquid
- Odour: acetone
- SG 0.81
- Pressure 3 Bar
- Discharge rate:
- Low setting - 0.9g/sec
- Medium setting - 1.1g/sec
- High setting - 1.3 g/sec
- Polymer type: Styrene butadiene rubber
- Open joint time: 1 to 10 minutes
- Bonding time: approximately 60 minutes; maximum adhesion in 12/24 hours
- Solubility: soluble in some solvents, insoluble in water
- Flammability: classified as extremely flammable under CHIP regulations
- Flashpoint: not applicable in sealed aerosol
- Packaging: 500ml aerosol
- Manufacturer's part **6190009000**

Ambersil

Order code **87-7360** **£7.26**

WD-40 Smart Straw Spray 400ml

The industry standard lubricant and solvent mix, which penetrates, disperses water and lubricates. Ideal for cleaning machine parts prior to dismantling or repair, freeing and lubricating at the same time. Because of its electrically insulating properties, WD-40 is ideal for automotive electrics, where it readily displaces moisture and helps prevent tracking.

- Standard wide spray or precision spray through the extension tube

Type	Order code	1+
400ml WD-40 spray	87-1098	4.90

IPA 170 Isopropyl Alcohol Cleaning Solvent

A universally recognised electronic cleaning solvent that forms an azeotrope with water, which evaporates more quickly than water for quick and efficient removal of moisture, leaving no residues.

- Ideal for cleaning tape heads, disk drives, photocopier drums, PCBs, optical equipment, lenses, precision instruments and delicate components
- Conforms to **BS1595, ASTM D770 and DIN 53245**

Type	Order code	1+
400ml isopropyl alcohol	87-1080	6.77
1l isopropyl alcohol	87-1082	11.59

Super 10 Contact Cleaner & Lubricant

An effective switch and contact cleaner which also provides a residual lubricating film to protect contact surfaces.

- Quickly removes tarnish, dirt, grease, dust, oil grime and other deposits increasing contact areas and reduces resistance
- Complete with extension nozzle for inaccessible areas
- Servisol type **Super 10**
- Supplied in CFC free **200ml can**

Type	Order code	1+
200ml cleaner/lubricant	87-0770	4.03

Foam Cleanser 30 Anti-Static Foaming Cleaner

Multi-purpose cleanser that will remove grease and grime from woodwork, glass, metal, paintwork, vinyl surfaces, etc.

- Servisol type **Foam Cleanser 30**
- **400ml aerosol tin**

Type	Order code	1+
Foam cleanser	87-0110	4.03
