

Part Number	UNIE6S1004BK100
Description	4mm 1.8Kv(DC) Solar Black EN50618 Cable 100M
Conductor	Class 5 flexible tinned copper conductor
Insulation	Halogen-free cross-linked compound
Cable Diameter	5.6mm
Number of Cores	1
Conductor Cross-Section	4mm ²
Sheath Colour	Black
Sheath	Halogen free cross linked, flame retardant compound
Type	Solar Cable
Temperature Range	-40°C to +90°C
Length Supplied	100m +/- 10-12%

* Other colours available on request
