

Leichtlauf High Tech 5W-40

Description

Top-quality, state-of-the-art low-viscosity motor oil for use all year round in gasoline and diesel engines without diesel particulate filter (DPF). The combination of unconventional base oils on a synthetic technology basis using the latest additive technology serves to guarantee a motor oil which reduces both oil and fuel consumption while ensuring fast oil penetration of the engine. Oil change intervals of up to 40,000 km are thus possible, depending on the manufacturer's specifications.
