

## M12 female recept. D-cod. front

PE wires 4x0.34 0.2m

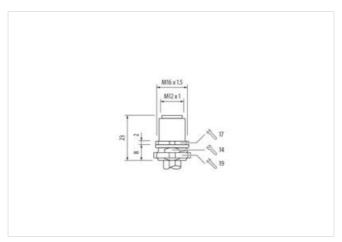

Flange female M12, 4-pole D-coded Front mounting with multi-strand wire

| •                                       | District the connectors by suitable measures from marketical leads as the the connectors of sales of  |
| Note on strain relief                   | Protect the connectors by suitable measures from mechanical loads, e.g. by the usage of cable ties.   |
| Note on bending radius                  | <b>Attention:</b> Observe the permissible bending radii when laying cables, as the IP protection class can be endangered by excessive bending forces. |
| Approvals                               |   |
