

## Cable organizer (6 pcs set)

No.: 23CA244...247

These self-adhesive cable organizers are the optimal solution when cables and wires should be temporarily tidy. Advantageous, for example, for household appliances in the kitchen, hi-fi systems, tools, etc. - the power cables are simply wound up directly on the device and can also be clipped in place. The principle is very simple: Clean the surface thoroughly, stick it on, wind up the cable. Optimal for smooth, even slightly curved surfaces on home appliances, walls, tiles, pipes or other places where cleanliness and order is desired. The 3M quality adhesive tape ensures an optimal hold and much joy with the new order!

**Clean surface well before application. Smooth surface must be clean and dry - first test in an inconspicuous place.  
Final strength after max. 24 h.**

**Technical data:** Material: Silicone • Dimensions (LxWxH): 103 x 28 x 30 mm • Cable clip diameter: 8 mm • High quality adhesive surface made of 3M adhesive tape • Colors: White, Grey, Black • Content: 6 pcs./set • Temperature range: -20 ... 70 °C.
