

Product: 3m DisplayPort Cable with Locking 20 Pin Connector

Order Code: 16-1723

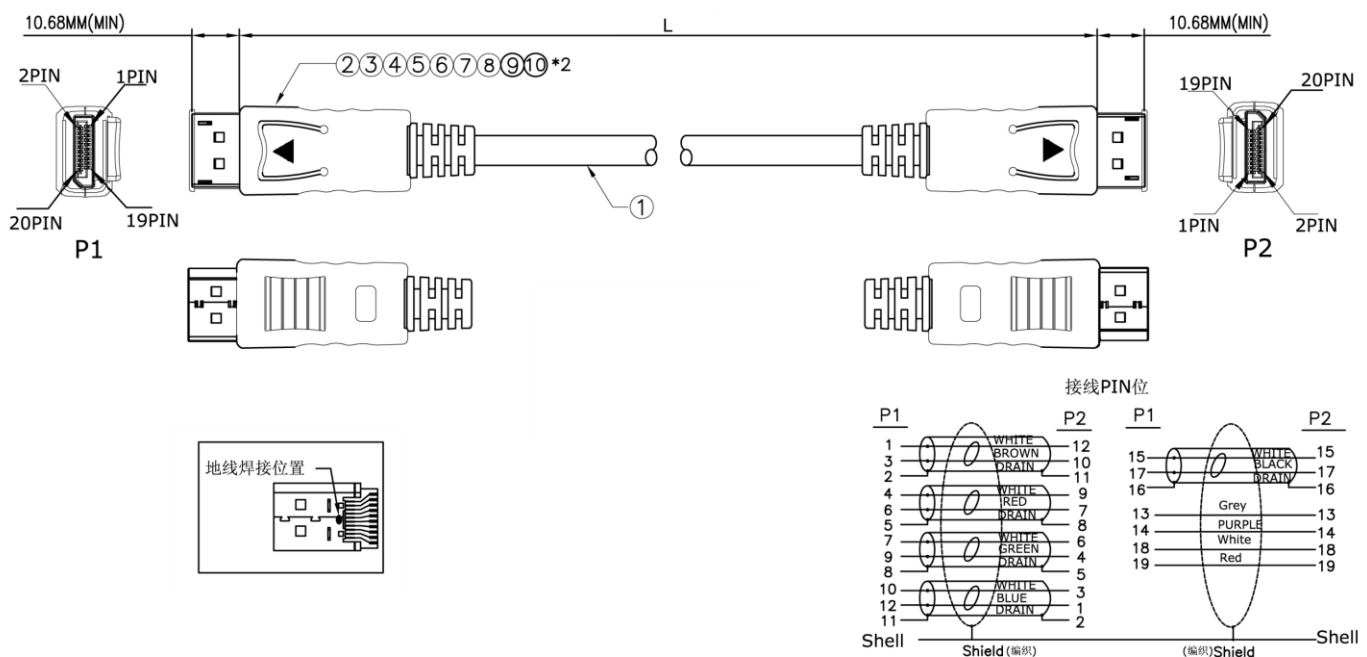

Features

- 21.6 Gbit/s Bandwidth
- DisplayPort Male to DisplayPort Male
- 3mtr
- Gold Flashed Connectors
- DisplayPort 20 pin male latching connectors
- Fully shielded cables
- 28 AWG

Applications

The DisplayPort cable is a 20 pin connector similar to HDMI but designed to replace DVI/VGA. It is used to connect a DisplayPort output such as a graphics card and then connect to a monitor. This cable is also bi-directional.
