

Shrouded BNC Male to Shrouded BNC Male Length 1m

Order code: **17-2895**

Product information:

- Rating: CATI 500V, CATII 150V/3A
- Wire gauge: RG58
- Length (M): 1.2

Typical characteristics:

- Body material: Brass
- Surface coating: Nickel plated
- Contact resistance: $\leq 0.005\Omega$
- Insulating resistance: $\geq 500M\Omega$

Features:

- High reliability
- High stability
- Economical and practical
