

10u Cabinet

8u Cabinet  
(Shown with optional TV distribution unit and other panels)

### Features & Benefits

- ✕ Houses the core home networking equipment
- ✕ Discreet stylish design
- ✕ Capacity for future upgrades
- ✕ Integrated internal power supply
- ✕ Wall mountable

Connectix home cabinets have been designed to be the heart of a state of the art home, or small office, networking system. Available in 8u and 10u sizes, the cabinets can house all core equipment and wiring terminations.

#### 7, 10 and 11u Cabinets

Capable of holding 7, 10 or 11x1u panels, these key lockable cabinet are ideal for installing Connectix 12 way RJ45 panels - ideal for distributing Voice, Data, ISDN, Internet Connection, TV, Video and CCTV around a home or small office network.

The cabinet has two enclosed sections: one to house a 4-way power unit, and another for other leads and incoming cables.

The 10 and 11u versions also have an additional section to house a mini switch.

#### 8u Mini Cabinet

Capable of holding 8 x 1u panels, this cabinet has a removable front door which is available in turn-latch and key locking options.

The cabinet has a backplate which is ideal for fitting a Connectix TV unit.
