

Rapid Part Number: **28-4551**

Europa Part Number: **EUR1100.300/2**

Specifications and dimensions

\*Image representative of range

- RCCB - Residual Current Circuit Breaker
- Two module

| Dimensions                                       |                   |
|--|-------------------|
| Width  | 36mm              |
| Height (overall)                                 | 90mm              |
| Depth (overall)                                  | 76mm              |
| Weight   | 0.22 Kg           |
| Features   |                   |
| Standard   | EN61008           |
| Degree of protection                             | IP20              |
| Rated current I <sub>n</sub>                     | 100A              |
| Rated Residual Operating Current I <sub>Δn</sub> | 300mA             |
| Tripping time 1 x I <sub>Δn</sub>                | ≤ 300ms           |
| Tripping time 5 x I <sub>Δn</sub>                | ≤ 40ms            |
| Rated voltage U <sub>e</sub>                     | 110/230V          |
| Number of poles                                  | 2                 |
| Rated short circuit capacity I <sub>cn</sub>     | 6kA               |
| Operating Temperature                            | .-5°C to +40°C    |
| Degree of pollution                              | 2                 |
| Maximum cable capacity                           | 25mm <sup>2</sup> |
| Recommended tightening torque                    | 2.0Nm             |
| Related Products                                 |                   |
| Suitable plastic enclosure                       | ECW               |
| Suitable metal enclosure                         | MEC               |
| Plastic consumer unit                            | ECU               |
| Metal clad consumer unit                         | MECU              |
