

LFB10
10 x A4 Rigid Lined Drywipe Lapboards

LFB30:
30 x A4 Rigid Lined Drywipe Lapboards

Environmental Information:
Outer packaging is at least 60% recycled and 100% recyclable. A small amount of single use plastic is used to secure the board during transport

These rigid drywipe boards provide reliable Show-me quality with added benefits.

Every A4, double-sided board has been manufactured from strong and rigid MDF for long-life and for use where there are no surfaces to lean on. Each board is lined on one side and plain on the other for a variety of whiteboard classroom activities.

Ideal for use with Show-me drywipe pens and erasers (not included).

FEATURES

- Strong and rigid Show-me A4 lined whiteboards
- Manufactured from MDF for total rigidity – ideal for when there's no desk space available
- Glossy drywipe surface makes erasing easy
- Gridded on one side and plain on the other

NOT JUST EDUCATION...

Drywipe boards are great for use in public sector organisations, office settings, call centres, retail and even home offices. Use for inspirational message boards, to-do lists, staff on duty information, target monitoring, and more...
