

C/CFB_B/CFB A4 Clockface Mini Whiteboards

Unlike mini-whiteboards made from PVC or MDF, ours **don't contain additives** like lead or chlorine.

Show-me Boards are the **only fully recyclable** mini whiteboards; just pop them into your usual recycling bin.

Made sustainably in the UK with low-energy technology.

Show-me whiteboards are made from **fully recyclable PP**.

Environmental Information:

Reusable Packaging, 100% recyclable outer carton

Get to grips with all telling-the-time classroom activities with these clock face Show-me boards.

Lightweight and so easy for children to hold. You'll see engagement and answers from the whole class without leaving the front. With a quick glance you can check progress and understanding, then tweak your plans accordingly.

Use instead of endless sheets of paper, or space in exercise books - think about how much budget you could save, let alone the number of trees!

Every board has an ultra-smooth, glossy surface for optimal

FEATURES

- High-quality A4 drywipe Show-me boards pre-printed with a clock face and digital read out block
- Each board is printed with a classic clock face and a digital read out block, each with space for individual minutes
- Ideal for all classroom telling the time activities
- Each board is double-sided and features a plain reverse

NOT JUST EDUCATION...

Drywipe boards are great for use in public sector organisations, office settings, call centres, retail, in the home, and more...
