

FCM48A

48 Flipchart Markers, Assorted

7-day cap-off time

If the cap is left off Friday afternoon, the marker will still work on Monday morning.

2mm line width

Easy to read from across the room.

Anti-Bleed Ink

Fast-drying, zero-odour, waterbased formula does not bleed through paper.

Vibrant Colours

Ideal when presenting to groups who are viewing from a distance.

Built-in Nib-Stop

Prevents tip being pushed into the barrel if pressed too firmly.

Eco-friendly

Barrels & lids made from widely recyclable polypropylene. Packaging 100% recyclable.

Environmental Information:

All of the packaging is 100% reusable and recyclable.

Recycling scheme

Take part in Show-me's free send back recycling scheme to avoid your mini whiteboards, drywipe markers, and erasers ending up in landfill.

FEATURES

- Premium flipchart markers with 7-day cap-off time to prevent pens drying out when the lids accidentally get left off. Six vibrant assorted colours: Black, red, blue, green, purple & orange. Unlike whiteboard markers, these pens are fully washable, have a higher write-out length, and are designed for use on paper.
- High performance and safe ink formula is: Fast-drying; bleed-resistant; waterbased; airplane-safe; and low-odour. Use on flipchart & sketching pads or general office paper – ideal for drawing visual graphics & ideas, colouring, or writing notes.
- The 2mm bullet-tip gives you even, smooth lines and is ideal when presenting to groups who are viewing from a distance. Built-in nib-stop prevents tip being pushed into the barrel when pressing too firmly. Includes pocket clip on lid.
- Environmentally-friendly – all pen barrels and lids are made from widely recyclable polypropylene, and all packaging is 100% plastic-free and fully recyclable.

NOT JUST EDUCATION...

Drywipe markers are great for use in public sector organisations, office settings, call centres, retail and even home offices. Use in meetings, to keep track of to-do lists, shopping lists, important messages and more...
