

GBC Card Laminating Pouches

A range of sizes and laminate weights specifically designed for applications including publicity material, visitor information, identity cards and licences. 60x99mm. 2x125 Micron Gloss. Pack size: 100.

Attributes

- Seven popular sizes: an extensive range for a wide variety of uses, e.g. standard business card and identity cards and licences
- High gloss finish with good polyethylene (adhesive) content; superb colour enhancement and long-term durability
- Photo compatible - the polyethylene (adhesive) is ideal for laminating photographic images, reducing forgery and fraud
- Available with or without ID card slots - ideal for adding clips and chains for a variety of identification formats
