

DATA SHEET

Stock code	35-1461

PIEZO HORN TWEETERS

Special piezo high impedance tweeters featuring high efficiency without loading the amplifier too much. Can be connected easily via a small series resistance without special filter. Crisp, clean reproduction of the high frequencies.

Power max.	150W
Frequency response	4kHz - 30kHz
Impedance : 1kHz	1k ohms
Impedance : 25kHz	60 - 80 ohms

Stock Code	Description
35-1461	Piezo horn tweeter, 85 x 85 x 70mm
