In the spotlight

With the Trust Spotlight Webcam Pro, you can keep in touch with your friends and relatives all over the world. Thanks to the built-in microphone, you can now talk to each other as if you're in the same room. Simply plug in the USB cable and without having to install any drivers, you can start sharing those special moments.

Share your world

The Spotlight Webcam Pro comes with a 1.3 megapixels (1280x1024) sensor resolution. It is made for online video chats using for example Skype, YouTube or other video platforms. The integrated dimmable LED lights make sure you have a clear image whether you're using the camera during daylight or in the evening. Capture those special moments!
