

U.I. Lapp GmbH	PRODUCT INFORMATION	 LAPP GROUP
	SILVYN® BW-M	12.09.2012

Space-saving

Application range

Mechanical engineering

Plant engineering

Control cabinet manufacturing

Used in areas where SILVYN® protective conduits cannot be inserted into a machine or an appliance

Design

Steel fixing bracket

2 x bore hole for fixation

Remark

Photographs are not to scale and do not represent detailed images of the respective products.

Technical Data

Material:

Steel, passivated

Product Management	Document: LAPP_PRO1232EN.pdf	1 / 3
