### **What's in the box?**

These vials come packed vacuum wrapped separate from the caps in a cardboard box, with a label on the outside of the box with our code.

Streamline your workflow and simplify your storage with our pack of 100 vials and caps. They neatly stack and nest together, maximizing your space and allowing convenient access whenever needed.

### **Unrivalled Quality**

Each vial is crafted using premium-quality, chemically-resistant glass that ensures excellent durability and protection, and providing unparalleled clarity.

### **Range of Sizes**

We understand that every project is unique. That's why our new range is available in a variety of sizes, from 2 ml to 100 ml, catering to all your specific storage needs.

### **Environmental Responsibility**

We're committed to protecting the planet. Our unique and innovative packaging is 100% recyclable and eco-friendly, without compromising on quality or durability.
