Universal Bit Holders with Quick-Release Chuck

Content:

895/4/1 K
05053872001 1 x 1/4"x52

Holder with quick-release
chuck

The magnetic design enables simplified positioning of the screw. The non-magnetic version prevents any unwanted attraction of metal filings.

Universal holder with quick-
release chuck

For a firm, wobble-free connection between holder and bit with quick-release action. Simply push sleeve forward to change bits. The magnetic design enables simplified positioning of the screw.
