

Kraftform Kompakt 28 SB, 7 pieces

Kraftform Kompakt 25, 28

EAN/GTIN:	4013288138927	Dimension:	150x62x46 mm
Part no.:	05073240001	Weight:	168 g
Article no.:	Kraftform Kompakt 28 SB	Country of origin:	CZ
		Customs tariff number:	82079030

- Kraftform Kompakt 28
- Kraftform holder with anti-roll feature, multi-component, bayonet blade and bit magazine
- Adaptor bayonet with stainless sleeve, retaining ring and strong permanent magnet
- Suitable for bits with 1/4" hexagon drive (Wera connecting series 1)
- Tough viscous bits for universal use

Wera compact tool with multi-component Kraftform handle for high working speeds and particularly ergonomic screwdriving. Integrated bit magazine in the handle for the storage of 6 bits.
The bayonet blade can be lowered into the handle in confined screwdriving situations; it can be removed for insertion in a power tool. The retaining ring and the strong permanent magnet ensure a secure fit of the bit.

Kraftform Kompakt 28

The telescopic blade I

The telescopic blade II

The telescopic blade III

The sets in the series Kraftform Kompakt 28 are really something. A 2 position telescopic blade can be retracted into the handle for confined space operation or extended for more reach. It can also be removed and used as a 100mm bit holder in the power tool. Six bits are conveniently integrated into a push-button opening bit magazine.

When the unique telescopic blade is lowered into the handle, fast, easy screw-driving action is possible, even in the tightest spots!

By pushing the clamping sleeve, the telescopic blade can be extended out of the handle and the compact tool becomes a full-sized screwdriver.

If the clamping sleeve is pushed again the telescopic blade can be taken out of the handle, and be used as a machine bit adaptor.

Universal holder with stainless steel sleeve

The retaining ring and the strong permanent magnet ensure a particularly secure fitting of the bit in the holder.

Manual and power tool operations

The sets come with a Kraftform handle, quick-release chuck and bits for manual and power tool operations.

Handle/interchangeable blade system

The handle/interchangeable blade system allows rapid exchange of the blades required for a wide range of applications.

Prevents hand injuries

The outstanding design of the Kraftform handle that fits perfectly into the hand prevents hand injuries such as blisters and calluses.
