Business Transfer of AC Line Filter to Tokyo Parts Industrial CO.,LTD.

AC Line Filter: PLA10, PLH10, PLY10, and PLY17 Series

Dear. Valued Customer

Thank you very much for your great and continued support for business with Murata.
This is the official notification that some of our products will be discontinued as detailed below.
Please review this, and indicate your feedback for this Notice in writing by Feedback Due.
Also, please place Last Time Buy Order by the Last Time Order Due Date as needed.
Your understanding and support are highly appreciated.

1. Product Type, Customer/Murata/Alternative Part Numbers:

Product Type: AC Line Filter: PLA10, PLH10, PLY10, and PLY17 Series

Business Transfer Partner: **Tokyo Parts Industrial CO.,LTD.**

<http://www.tokyoparts.co.jp/index-eng.html>

Please refer to the attached documents for detailed Part Numbers' information.
We have decided to transfer AC Line Filter business to Tokyo Parts Industrial CO.,LTD.
Tokyo Parts Industrial CO.,LTD. will add Murata Part Numbers with the same specs in her line-up,
although she already holds her own Part Numbers for some products.
Thus, we introduce Tokyo Parts Industrial CO.,LTD. products as replacements.

2. Reasons/Background:

Sales of the AC Line Filter business has been decreasing, regardless of Murata's efforts,
due to its limited line-up and lack of cost-readiness.
Thus, from the portfolio management perspective, we decided to transfer the business
to Tokyo Parts Industrial CO.,LTD., who has the top share of AC Line Filter business in Japan.

3. Product Withdrawal Schedule:

Last Time Order Due (*): Sep. 30, 2017

Last Production Date: Nov. 30, 2017

Last Shipment Date: Dec. 29, 2017

* : Last Time Order is the subject to Minimum Order Quantity and Package Quantity.
