

Product Information Sheet

Description: Powerful, fast acting and versatile hand cleanser combining natural citrus oil extract and cornmeal hand scrub for a deep-down clean to remove ingrained oil and grease as well as some paints and adhesives. Contains moisturiser to help care for the skin.

Usage: For use at the end of each work period, or more frequently if required, to quickly and effectively remove a broad spectrum of ingrained and difficult to remove soilings.

Method of Use: Apply 1 dose or a small amount to dry hands and rub in well to loosen all soilings. Rinse well with clean running water and dry hands thoroughly.

| FEATURE | BENEFIT |
|-------------------------|--|
| Powerful | Orange oil extract based formula works rapidly and effectively to remove a wide range of deeply ingrained and difficult to remove soilings such as oil, grease, tar, inks, bitumen, many adhesives, most oil based paints and general grime. |
| Deep cleaning | Contains non-abrasive cornmeal scrub to give a deep-down clean without damaging the skin. |
| Fast action | Works quickly and easily rinses away to leave no residue on the skin. |
| Added conditioner | Contains jojoba oil and wheatgerm extract, a source of Vitamin E, to help leave the skin soft and supple after use. |
| Added moisturiser | Contains refined lanolin derivative, a super fatting conditioner, which helps the skin replace lost moisture whilst working and leaves it feeling soft and supple after use. |
| Fresh fragrance | Natural Orange oil leaves the skin fresh and lightly fragranced after use. |
| Convenient | Available in a range of sizes to meet various user requirements. |
| Dermatologically tested | Tested using the industry recognised '48hr human patch testing for primary skin irritation' method. |
| Toxicological approval | Formulation assessed by a Toxicologist and declared safe to use. |
