

SPECIALIST
MOTORBIKE

WAX & POLISH

PRODUCT FEATURES:

This product is designed to leave your bike with a deep glossy shine. The formula, containing Carnauba Wax, is easy to apply and provides a fantastic finish which is totally streak free.

PRODUCT BENEFITS:

- Contains Carnauba Wax for durability and shine – nature’s hardest wax.
- Contains Bees Wax for improved shine and ease of application.
- High gloss finish.
- Non-abrasive.
- Easy spray on / wipe off application, minimal effort required.
- Highly water resistant.

TYPICAL APPLICATIONS:

On any painted or metallic surface to improve gloss and provide a water-resistant barrier. Also suitable for use on chrome and plastic trim.

DIRECTIONS FOR USE:

Before use, clean first with WD-40 Specialist® Motorbike Total Wash. Shake can well and apply onto clean surface. Buff for that deep glossy shine.
