

Cleaners

ENGINEERS WIPES

STRONG DRY CLOTH

Engineers Wipes are high quality, extremely low lint cloths designed for the general cleaning and drying of all surfaces including glass, plastics, rubbers, metals, LCD and filter screens. These wipes are specifically designed to be tear resistant and non-linting, which makes them ideal for use on delicate surfaces.

Compatible with ALL Ambersil products, suitable for use with water based and solvent based cleaners.

Engineers Wipes has excellent wet strength, resists tearing and they are highly absorbent.

Supplied in resealable plastic pouch, can be rinsed and reused for increased economy.

PRODUCT CODES / FILL SIZES

 33353 / 400 wipes

APPLICATIONS

For the general cleaning and drying of all surfaces including glass, plastics, rubbers, metals, LCD and filter screens.
