

Trademark Change Notification

Dear Customer,

Due to the company's strategic development needs, Xiamen Kudom Electronics Technology Co., Ltd. will be acquired by i-Autoc (Xiamen) Investment Co., Ltd. from 1st of July, 2019. After the acquisition, all the products produced by Xiamen Kudom Electronics Technology Co., Ltd. will no longer use KUDOM trademark, but use i-Autoc trademark. The details of the change are as follows:

1. The original trademark  will be changed to . The original trademark  will still be used until 30th June Y2019.
2. This is a change to the trademark only, the COMPANY NAME, MANUFACTURING LOCATION, MANAGEMENT TEAM, PRODUCT PART NUMBERS; AND SAFETY APPROVAL LICENCE NUMBERS (such as cUL, TUV, CCC, S-mark etc.) are remain the SAME.
3. During the change of the company's trademark, the signed contracts/purchase orders will remain valid and the original business relationship and service commitments will remain unchanged as well.

We are deeply apologizing for the inconvenience may cause. Before 1st July, 2019, if necessary, we can consider the dual branding with both trademarks on the products in order to make this change processing smoothly. Please send the feedback to our sales directly if you need the dual branding or not.

Thank you for your continuous support and we expect to maintain the pleasant cooperation relationship with you as before!

Best Regards

Xiamen Kudom Electronics Technology Co., Ltd.
